

WSSC By-laws - June 2009

1. No full-time employee of the club who is paid a salary or wage may sit on the Executive Committee.
2. All members, guests and sponsored visitors are expected to be dressed appropriately depending on the time of the day. No headwear which could obscure a person's face should be worn at any time, i.e. baseball caps, hoods on sweatshirts.
3. Members' children of all ages are permitted in the club, but parents must keep them under close personal supervision and ensure they do not interfere with the enjoyment of the Club's facilities by other members.
4. On a limited number of occasions decided by the Committee such as New Year's Eve and Special Cabaret Nights, admission to the club will be restricted to ticket holders only. Details of these few occasions and arrangements for the purchase of tickets will be publicised well in advance.
5. A new game of snooker may not be started within 15 minutes of the bar closing time.
6. Minors may play/enter the snooker room if accompanied by an adult.
7. Any person who defaces or removes notices from the Notice Board will face disciplinary action.
8. All future Executive Committee members must be voted in by a majority of the current executive committee.
9. Children may come to the bar if accompanied by a responsible adult.
10. Dogs are allowed in the Club during opening hours, but should be kept away from the bar, and must be on a lead at all times.
11. The back bar shutters are to be open at all times (unless a meeting is being held in the lounge), but service will continue from the main bar area.
12. Only staff and Executive Committee members are allowed into the restricted areas of the club (i.e. behind the bar, kitchen, cellar and office areas) at any time. If a member or guest wishes to access any of these areas, they must be accompanied by a member of staff or an Executive Committee member.
13. At the discretion of the Committee, non-members may be allowed temporary access to the club when a function is on, and only for the day of the function, by entering their name into the Visitor's book and paying a nominal fee as decided by the Committee. No individual is allowed to take advantage of this temporary access more than twice in any three-month period. Any individual serving a suspension of any kind will not be allowed temporary access. Individuals allowed in the club under this arrangement will be allowed to purchase food and drink but are subject to all the rules of the club at the time.
